

## Benefits of Refinishing

- Change and update your color schemes and styles without buying new furniture.
- Refinished furniture looks and lasts like new at a fraction of the cost.
- Create a uniform look across your entire pool deck.
- Dramatically improve the satisfaction and experience of your members.
- Furniture is picked up and returned to your facility at a nominal cost.
- Easy start up next season - furniture is shrink wrapped for storage and ready to go.

Your furniture is transported in our trucks to insure its proper handling. Furniture will be picked up at your location and transported to our facility where we have all the tools to do the job right. Upon completion, your order will be shrink wrapped and returned to you by our trucks ready to be stored or returned to your pool deck.
